General information:

Our 24th Annual Multistate Conference will begin on Wednesday morning and end on Friday evening.

We are excited about our speaker line up this year with some new and returning presenters.

We are pleased to welcome back Chris Ridenhour as our keynote speaker on Wednesday morning. Some of our returning attendees will remember him from previous conferences.

You will NOT want to miss his motivational dynamic presentation titled Leadership 201: Challenges, Changes and Triumphs! We will have updates from Cindy Deporter and William Vaughan on regulatory compliance Phase 3.

We have a panel discussion on emergency preparedness as well as a presentation on PDPM. Represent your region in our regional breakout sessions on relevant topics.

Please refer to the enclosed agenda for other speakers and topics.

Wednesday evening, we will host an informal gathering on the north lawn, weather permitting-- with heavy hors d'oeuvres. Thursday evening is free to spend with vendors, family, friends or explore Myrtle Beach.

Thursday afternoon and Friday morning will be our vendor exhibits.

Spend time in the vendor hall learning about new products and services while networking with other long term care professionals. Remember our vendors and sponsors enable us to keep the conference expense down so show appreciation to their support.

Bring your business cards to register for great prizes!

Conference fee is \$400.

All breakfast and lunch meals will be provided.

Dress preferred is business casual.

Bring a sweater in case the conference area is cool.
